Sir:

The Patent Office is requested to replace the original inventors' declaration with the attached substitute declaration.

The original declaration incorrectly identified the priority application as a Finnish rather than a European application. Nevertheless, the Filing Receipt correctly recited the European priority application.

The attached substitute declaration correctly identifies the applicants' priority application as EP 02020869.0, filed September 18, 2002.

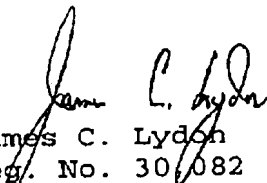

It is not believed any fee is required for entry and consideration of this Transmittal. Nevertheless, the Commissioner
